Same. Can never find anything on that site. I had asked them to do put up new PM & ozone panel lists for 2019 - 2021

Thanks for the statement!

But the whole webpage is gone? Did you dissolve the subcommittee? Don't they still have a meeting?

Subject: PM webpage?

Hi all --

The webpage for the PM review board appears to be gone. Any idea what happened?

Also, wondering how dissolving the the PM subcommittee squares with acting Administrator Wheeler's promises not to weaken the NAAQS, as he said at the Children's health month event.

Thanks!
